The Symposium on Nutrition is intended to be a gathering of top whole food nutrition based practitioners from throughout the Midwest and beyond. We will be discussing advanced topics in a beautiful summer setting of Northern Michigan. All four speakers use different but complimentary muscle testing techniques that will lead to a unique learning experience. 'Come to meet ... Leave inspired!'

A variety of activities will be available on Saturday afternoon for you to choose from; Biking, Wine Tour/ Tasting Old Mission Peninsula, and Tall Ship Sailing.

Traverse City Michigan

Traverse City is True North. Voted one of the 10 Best Small Towns in America by Fodor's, Traverse City is a welcoming destination that combines breathtaking natural attractions with a rich blend of adventure and relaxation. According to Bon Appetit, Traverse City is one of America's 5 Top Foodie Towns, offering the region's best restaurants. A short distance away is the Sleeping Bear Dunes, voted The Most Beautiful Place in America according to Good Morning America viewers. The glistening waters of Lake Michigan make a stunning backdrop as one of USA Today's 10 Best Great Coastal Drives. So relax and follow your compass to True North—Traverse City.

Grand Traverse Resort and Spa

Rising in the midst of northern Michigan's freshwater bounty, winding wooded trails and sugar-sand beaches, you'll find Grand Traverse Resort and Spa. Regarded as a premier Michigan vacation destination, it has been ranked among the nation's finest resorts with accolades from Golf Digest, USA Today, Family Circle, Conde Nast, Travel + Leisure and others. Easily accessible with free shuttle service from the Cherry Capital Airport that offers non-stop flights from Denver, Minneapolis, Chicago, Detroit, Atlanta and New York City.

Our Featured Speakers

For over 20 years, Dr. Stuart White has applied nutritional principles to health issues with all of his patients and is the director of one of the largest and most successful holistic healthcare practices in the U.S. In his practice, Dr. White relies on formula-driven principles of nutritional science to treat the physiological aspects of illness/wellness.

Dr. Brockenshire holds a Bachelor of Science degree in Human Biology, and a Doctor of Chiropractic degree from Logan College of Chiropractic in St. Louis, Missouri. He also has completed various certification in Applied Kinesiology, Naturopathy, Clinical Nutrition, Homeopathy, and Rehabilitation.

Dr. Chad Guess collaborates with Dr. Stuart White on various muscle testing techniques, teaching practitioners how to merge them with the 7 Pillars of Health in a way that has yielded a highly effective Therapeutic Rationale. Through lecturing, Dr. Guess's primary goal is to help colleagues implement nutrition competently into their offices.

Dr. Randy Tent has been in private practice for over 30 years, providing local and international patients with combined nutrition and chiropractic care. Dr. Tent is highly renowned all over the country for his staggering results in chiropractic and alternative treatment.
